***Allowable Subject Matter***

1. Claims 8-10, 27-29 and 65-67 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, neither anticipates nor renders obvious the following limitations as claimed:

[Claim 8]: An image pickup control apparatus for controlling an image pickup apparatus via a data communications interface unit, the image pickup control apparatus comprising "... a control unit which is communicatively coupled to said connection detecting unit and said setting unit wherein in a case that said connection detection unit detects the connection to the image pickup apparatus said control unit effects control so as to transmit to the image pickup apparatus the plurality of kinds of control data changed by said setting unit, a display control unit which displays a model image corresponding to the control data for the desired photographing condition selected by said selection unit; and a change unit which changes the control data corresponding to the model image by referring to the model image displayed by said display control unit" in combination with other claimed elements.

[Claims 27 and 65]: These are method and storage medium claims corresponding to apparatus claim 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
